

## 360° Remote Collaboration for Managing Retail Store Facilities Virtually

Improve the quality of your stores, restaurants, or franchise locations with more frequent site visits in real-time, remote 360°.

### / Remote Store Management

Go from location to location without the cost of travel. Avatour puts you in the center of the action so you can observe in real time without disrupting workflows.

### / Franchise Inspections

Inspect renovations and processes or streamline procedures across locations with a 360° virtual tour of your facilities.

### / Employee Training

Use Avatour to bring remote teams on location to ensure consistency and quality for site-specific training.

Reimagine your operations with the unique benefits of  
360° Remote Collaboration Technology:

Save Money

Save Time

Save Our Planet

# The Avatour Advantage

**Revolutionize remote visits with the power of the full picture and the freedom to choose your point of view.**

The Avatour platform allows remote participants to experience the context of a real place, while interacting in real time with the people there. Visit your stores, facilities, or franchise locations, bring stakeholders on site, and connect people to places **in real time – no matter where you are – with the unique power of 360° technology.**

*“Avatour has been a game changer for us because it’s truly immersive. It allows us to save time and money without having to travel, it allows a larger audience to partake in the tour.”*

*Leo Donatelli  
Director of Business Development  
DB Schenker*

**360° Session Recording**  
for better documentation with the ability to return to the site and explore in 360°

**Viewer Autonomy**  
gives each individual the ability to feel physically present and choose their POV

**Invite Up to 20 Guests**  
so you can bring the employees, remote experts, and stakeholders on site without travel

**Wifi and 5G/LTE Enabled**  
for better connectivity throughout the visits, especially in areas with a spotty WiFi connection

---

The Avatour 360° remote collaboration platform helps leaders conduct more frequent reviews without sacrificing quality. Our software platform is quick to deploy and easy to use, leveraging inexpensive, off the shelf 360° hardware enables a remote experience that can align teams, reduce risk, and enhance quality.
